Create a university web site containing 6 html pages (student, department, contact, home, placement, alumni). Use Frames, Hyperlinks to link one page to other. Embed images and videos.

CODE FOR UNIVERSITY WEB PAGE:

```
<!DOCTYPE HTML>
<html>
<head>
<title> SHASHI KIRAN UNIVERSITY </title>

</head>

<iframe name= "header" height ="77" width="13%" src="LOGO.html"></iframe>
<iframe name= "header" height ="77" width="86%" src="Full name.html"></iframe>

<iframe name= "left" height ="650" width="13%" src="Index.html"></iframe>
<iframe name= "right" height ="650" width="86%" src="C:\Users\sudan\OneDrive\Desktop\SEM-5\WT
_LAB\UNIVERSITY WEB PAGE\Home.html"></iframe>

</body>

</html>
```

This creates the frames of 4 as mentioned in below output:

The screenshot shows a web browser window with a title bar "SHASHI KIRAN UNIVERSITY". The address bar displays the file path "C:/Users/sudan/OneDrive/Desktop/SEM-5/WT%20_LAB/UNIVERSITY%20WEB%20PAGE/University%20website.html". The browser interface includes standard controls like back, forward, and search.

The main content area is divided into four frames:

- Top Left Frame:** Contains the university's logo, a black square with "SK" in white.
- Top Right Frame:** Displays the text "SHASHI KIRAN UNIVERSITY" in bold capital letters.
- Bottom Left Frame:** A vertical menu list with links: [Home](#), [Student](#), [Department](#), [Placement](#), [Alumni](#), and [Contact](#).
- Bottom Right Frame:** Displays the text "Welcome to our webpage" above a large photograph of the university's modern campus buildings and landscaped grounds.

CODE FOR HYPER LINKS (INDEX):

<h1>CLUBS & CHAPTERS</h1>
```

At SK university, we believe in fostering an enriching environment where you are enabled to explore your creative selves and take pride in the work you do.

SK university features an array of clubs and chapters which offer you a life beyond academics. Our clubs and chapters provide a recreational space to explore creativity, make new friendships, engage in collaborative work, relax, and socialise. Various club activities eventually lead you to develop a crucial skillset comprising team-work, leadership, and event management. At present, there are more than 70 clubs in the university which include.

<h1>Sports at VIT-AP</h1>

<h2>About Sports at VIT-AP</h2>

<p>At SK, we believe that sound mental and good physical health are crucial for holistic development. With a strong emphasis on recreation, we provide facilities that keep our students, faculty, and staff active, spirited, involved, and healthy. We organize several intramural sports events, including cricket, badminton, volleyball, chess, and more. Additionally, we host the in-house Sports and Cultural fest VITopia where different colleges and universities participate.</p>

<h2>International Karate Championship</h2>

<p>Our university students (boys & girls) participated in the 4th International Karate Championship held from 31/01/2020 to 02/02/2020 at Rajiv Gandhi Port Stadium Visakhapatnam, organized by the UNITED SHOTOKAN KARATE-DO INDIA. Over 700 contestants participated in various categories. We are proud to announce that our team won a total of 13 medals.</p>

<p>Also, the Career Development Centre in SK is responsible for internships for students. Apart from placements for students in their final year, the Placement Cell provides international internships with leading MNCs across the globe. An average of 10 students every year get an opportunity to get internships in USA, UK, Ireland, Japan, China, Israel, Taiwan, UAE, Kenya, Germany, Nigeria and Italy. These internship programs help the students to earn a stipend, in addition to hands-on experience and practical application of everything they have learned. While VIT ensures that all its students obtain placement in leading MNCs, it also makes sure that they get internships and have valuable work experience.</p>

<p>The placement season is now growing higher as our students are getting placed with Dream companies. The list of final year students who have bagged their Dream offers is listed below. We are certain that this upward trend with placements will scale higher and our students shall be successfully placed.</p><br>

In Dream placement offer, 3836 students are presented with offers with Cost of Company (CTC) of 5.5 Lakhs and above per annum. More than 386 companies have been giving this placement offer to enable students to have multiple choices in the dream placement category. They can choose among various streams including IT Services, product consulting, banking, Core Engineering companies among other options. Such placement opportunities allow the students to freely select the offer that is present in their area of interest.

Also, the Career Development Centre in SK is responsible for internships for students. Apart from placements for students in their final year, the Placement Cell provides international internships with leading MNCs across the globe. An average of 10 students every year get an opportunity to get internships in USA, UK, Ireland, Japan, China, Israel, Taiwan, UAE, Kenya, Germany, Nigeria and Italy. These internship programs help the students to earn a stipend, in addition to hands-on experience and practical application of everything they have learned. While VIT ensures that all its students obtain placement in leading MNCs, it also makes sure that they get internships and have valuable work experience.

The placement season is now growing higher as our students are getting placed with Dream companies. The list of final year students who have bagged their Dream offers is listed below. We are certain that this upward trend with placements will scale higher and our students shall be successfully placed.
